

columbus 6.28.08

Podcamp Ohio is a one-day educational "unconference" exploring **blogging, podcasting, social networks, video** on the net, and **new media** that is coming to Ohio for the first time.

Launched in Boston in September of 2006, PodCamps have spread to various US and international cities, and have helped to build a stronger community of podcasters, bloggers, and other new media enthusiasts. Join us this summer for the event!

**WHEN:** June 28, 2008

**WHERE:** ITT Tech in Hilliard, Ohio

**WHO:** Anyone interested

**HOW MUCH:** The event is free!

**MORE:** <http://podcampohio.com>

For more information, contact **Angelo Mandato** at **614.429.4474** or [angelo@podcampohio.com](mailto:angelo@podcampohio.com).
